Therese Boyle humbly asks for your vote. She promises to diligently and ethically administer the affairs of the Chicago Teachers' Pension Fund (CTPF). Therese pledges to serve and act in the best interest of fellow retirees. In other words - loyalty, fidelity, and duty to pensioner members is Therese's only priority.

Therese has the education, experience, and interpersonal skills necessary to serve as your Pensioner Trustee. She has an extensive background in finance, economics, accounting, and investment practices. Therese has the ability to communicate effectively and professionally. She is skilled at establishing and maintaining good working relationships with colleagues. Therese demonstrates the ability to think analytically and critically. She is not afraid to challenge assumptions and will ask the right questions: "How will this affect CTPF pensioners?" "Is CTPF exercising the proper internal controls?" "Does CTPF have the necessary resources to grow our wealth and improve our funded ratio?" Therese will closely examine potential risks to our fund. She will work to make sure the Board of Trustees' actions align with the mission of CTPF to "provide, protect and enhance" the economic well-being of our members. Therese will fight to increase the retiree insurance subsidy and to maintain our compounded COLA.

Therese's mother, Joan MacDonald (retired teacher from Shoop CPS), and her sister, Mary Dixon (retired principal at Dawes CPS), are CTPF pensioners. Therese's brother, daughter, and niece are all active CTPF members. CTPF members receive the promise of financial stability in retirement in exchange for our years of service and dedication to the students of Chicago.

Therese intends on ensuring that promise is kept for today's pensioners as well as for future CTPF pensioners.
